DETAILED ACTION

Withdrawal of Objections and Rejections

The rejections and/or objections made in the prior office action 01 July 2003, which are not explicitly stated below, in original or modified form are withdrawn.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action. Applicants' arguments filed 01 December 2003 will be addressed to the extent that they pertain to the present grounds of rejection. Claim 2 was cancelled and claims 1 and 3-11 are pending and under consideration.

Withdrawn

1. Rejection of claims 3 and 10-11 under 35 U.S.C. 112, second paragraph, is withdrawn as obviated by amendments to said claims.
2. Rejections of claims 1-9 and 11 under 35 U.S.C. 102(e) is withdrawn as obviated by amendments to said claims. The claims were amended to recite limitations, e.g. specific GPI compounds that are not anticipated or disclosed by the prior art.
3. Rejection of claims 1-3 under 35 U.S.C. 103(a) is withdrawn as obviated by amendments to said claims. The claims were amended to recite limitations, e.g. specific GPI compounds that are not anticipated or disclosed by the prior art.

Maintained

4. Rejection of claims 1-11 under 35 U.S.C. 112, first paragraph, is maintained. Applicants arguments are to a written description rejection, however, the rejection was a scope of enablement, which was not obviated by amendments or by traversal. Furthermore, Applicants'

Art Unit: 1654

response citing support in the specification fails to obviate the scope of enablement rejection of the previous office action. The mere recitation of an embodiment or preferred embodiment does not lend enablement to the instant claims for the reasons stated in the previous office action. Therefore, the rejection is maintained.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

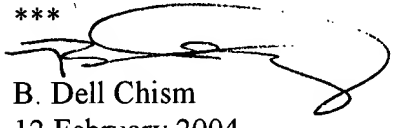

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
